- (C) The parties have agreed that the Supplier will supply the Products to the Customer on the terms of this Agreement.

The parties agree as follows:

1. DEFINITIONS AND INTERPRETATION

1.1 In this Agreement the following words have these meanings:

- (a) "Agreement" means this agreement, including its Schedules;
- (b) "Business Day" means a day other than a Saturday, a Sunday or a public holiday in the Czech Republic;
- (c) "Delivery Point" means each hotel or cafe of the Customer named in a Purchase Order;
- (d) "Products" means the roasted coffee products listed in Schedule 1, in the pack sizes stated there;
- (e) "Purchase Order" means a written order for Products placed by the Customer under clause 4;
- (f) "Specification" means the quality specification for each Product in Schedule 1, and the Supplier's cupping standard in force when the Product was roasted;
- (g) "Term" has the meaning given in clause 3.3.

- 1.2** Headings do not affect the interpretation of this Agreement. A reference to a clause or a Schedule is to a clause of, or a Schedule to, this Agreement. A reference to writing includes email, but not any other electronic message.
- 1.3** Words in the singular include the plural and the other way round. The words “including” and “in particular” do not limit the words that come before them.

2. SUPPLY OF PRODUCTS

- 2.1** During the Term the Supplier shall supply, and the Customer shall buy, the Products that the Customer orders under clause 4, on the terms of this Agreement.
- 2.2** The Supplier shall supply the Products with the care and skill to be expected of a specialty roaster, and shall make sure that each Product matches its Specification and is fit to be served to the public.
- 2.3** The Supplier shall use reasonable endeavours to keep enough green coffee in stock to meet the forecasts that the Customer gives under clause 4.2. If the Supplier cannot supply a Product, it shall tell the Customer without delay and offer the nearest equivalent Product, which the Customer may accept or refuse.
- 2.4** During the Term the Supplier shall not supply coffee to any other hotel, cafe or restaurant within five (5) kilometres of a Delivery Point, and shall offer the Customer the lowest price at which it sells the same Product to any other customer.

3. TERM AND RENEWAL

- 3.1** This Agreement starts on 1 November 2026 and, unless it ends earlier under clause 23, continues for an initial period of twenty-four (24) months (the “Initial Term”).
- 3.2** This Agreement shall renew automatically for successive periods of twelve (12) months each unless either party gives the other written notice of non-renewal at least sixty (60) days before the end of the then-current term.
- 3.3** The Initial Term and each period for which this Agreement renews are together the “Term”. The prices in Schedule 1 apply during the Initial Term and may be reviewed under clause 5.5 afterwards.

4. ORDERS AND FORECASTS

- 4.1** The Customer shall order Products by sending the Supplier a Purchase Order by email, stating the Products, the quantities, the Delivery Point and the delivery date it wants.
- 4.2** By the fifteenth day of each month the Customer shall give the Supplier a non-binding forecast of the Products it expects to order in the following three (3) months. The forecast is given in good faith to help the Supplier plan its roasting and purchasing,

and does not bind the Customer to buy.

- 4.3** The Supplier shall confirm or refuse each Purchase Order within two (2) Business Days of receiving it. A Purchase Order that the Supplier has not refused within that time is accepted.
- 4.4** The Supplier shall accept a Purchase Order that is within the Customer's latest forecast and gives at least five (5) Business Days' notice. For other Purchase Orders it shall use reasonable endeavours to supply by the date requested.
- 4.5** The Customer may change or cancel a Purchase Order without charge until the Supplier has started roasting the Products it covers.

5. PRICE AND PAYMENT

- 5.2** The Supplier shall invoice the Customer for each delivery on or after the date of delivery. Each invoice shall state the Purchase Order it relates to, the Products and quantities delivered, the price and the value added tax due.
- 5.3** The Customer shall pay each undisputed invoice within thirty (30) days of the date of the invoice, by bank transfer to the account stated on the invoice. Interest accrues on an overdue amount at the statutory rate from the due date until it is paid.
- 5.4** If the Customer disputes an invoice in good faith, it shall tell the Supplier in writing within fourteen (14) days of receiving it, giving its reasons, and shall pay the part that is not in dispute. The parties shall try to settle the dispute within thirty (30) days.
- 5.5** The Supplier may propose new prices for the Products by written notice given at least ninety (90) days before the end of the Initial Term or of any later period. Prices change only if the Customer agrees in writing. If it does not, the existing prices continue to apply.

6. DELIVERY AND RISK

- 6.1** The Supplier shall deliver the Products to the Delivery Point stated in each Purchase Order, within the delivery window for that Delivery Point in Schedule 2, on the date the Supplier has confirmed.
- 6.2** The Supplier shall deliver in sealed, labelled packaging marked with the Product's name, its roast date and a lot code. The Customer shall make sure that someone is present to receive each delivery, and shall sign the delivery note.

- 6.3** Risk in the Products passes to the Customer on delivery. Ownership passes when the Customer has paid for them in full.
- 6.4** If the Supplier delivers more or less than ordered, the Customer may reject the excess or accept it at the stated price. The Customer shall pay only for what it accepts, and the Supplier shall deliver any shortfall within three (3) Business Days.
- 6.5** Delivery dates are given in good faith. If the Supplier expects to deliver late it shall tell the Customer straight away and say when delivery will be made.

- 7.3** If a Product does not match the Specification, the Supplier shall, at the Customer's choice, replace it at no charge within five (5) Business Days or credit the price paid for it. The Customer shall keep the Product available for inspection until the Supplier has examined it.
- 7.4** The Supplier shall keep a sample of each lot for twelve (12) months after delivery, and shall give the Customer the result of any quality test of the lot on request.

8. WARRANTIES

- 8.1** The Supplier warrants that, when it delivers them, the Products will match their Specification, will be of satisfactory quality and fit for human consumption, and will have been roasted, packed, labelled and stored in accordance with the law.
- 8.2** The Supplier warrants that it has the right to sell the Products and that ownership of them will pass to the Customer free from any charge or security.
- 8.3** The Customer warrants that it will store and serve the Products in accordance with the instructions on their packaging, and will not alter or re-label them in a way that makes them misleading.
- 8.4** Each party warrants that it has the power to enter into this Agreement and that doing so does not put it in breach of any other agreement.

9. FOOD SAFETY AND COMPLIANCE

- 9.4** The Customer may audit the Supplier's roastery once in each calendar year, on at least ten (10) Business Days' notice and during working hours, to check the Supplier's compliance with this clause. The Customer shall not disturb the Supplier's operations more than it must.
- 9.5** Each party shall comply with the laws on bribery, sanctions and the protection of personal data that apply to it, and shall not do anything that puts the other in breach of them.

10. SERVICE LEVELS AND REPORTING

- 10.1** The Supplier shall meet the service levels in Schedule 3 for the accuracy, the timeliness and the completeness of its deliveries.
- 10.2** Within ten (10) Business Days after the end of each calendar quarter the Supplier shall send the Customer a report of its performance against the service levels in that quarter, with the number of deliveries made, the number made late and the number of complaints received.
- 10.3** If the Supplier misses a service level in two consecutive months, the parties shall meet within fifteen (15) Business Days to agree a plan to put it right. The plan shall be in writing and shall say who will do what and by when.
- 10.4** The Customer's remedies for a failure to meet a service level are those in clause 7.3 and the plan under clause 10.3, and the parties shall consider in good faith any further remedy that the plan proposes.

- 12.2** The Supplier shall make sure that each subcontractor is bound by terms that protect Confidential Information as this Agreement requires, and that it complies with the laws on food safety.
- 12.3** The Customer may object to a subcontractor on reasonable grounds relating to food safety, and the parties shall then discuss in good faith how to resolve the objection.

- 13.2** The Customer shall keep in force, during the Term, insurance of the kinds that a prudent operator of hotels and cafes would keep, including public liability insurance.
- 13.3** Each party shall give the other a certificate of its insurance on request.

14. DATA PROTECTION

- 14.1** Each party shall comply with the law on the protection of personal data in connection with this Agreement, including Regulation (EU) 2016/679.

17. MARKETING AND PROMOTION

17.1 The Supplier shall give the Customer, free of charge, the menus, posters, table cards and digital images that it makes to promote the Products, and the Customer may use them in its hotels and cafes during the Term.

24. FORCE MAJEURE

- 24.1** Neither party is in breach of this Agreement, or liable for a delay in performing it, to the extent that the delay is caused by an event beyond its reasonable control, such as flood, fire, storm, war, an epidemic, a strike that is not of its own staff, a failure of public power or transport networks, or the closure of a port, so long as it tells the other party promptly and does what it reasonably can to reduce the effect.
- 24.2** If an event of this kind continues for more than sixty (60) days, either party may end this Agreement by written notice to the other.

25. NOTICES

- 25.1** A notice under this Agreement must be in writing, in English, and sent by email to the address that the receiving party has given for notices, with a copy by registered post to its registered office. A notice sent by email is received on the next Business Day after it is sent, unless the sender receives a message that it was not delivered.

25.2 Each party shall tell the other without delay if its address for notices changes.
